Neighborhood Council Candidates' Forum and Meeting

Wards 4, 5, and 6: Ward Candidates Questions

1. Tell us about yourself – why is it a good idea to vote for you for City Council? What useful experience, knowledge, or perspective do you bring?
2. What do you see as your Ward's major challenges and assets?
3. Have you thought about any legislation you are interested in seeing the City Council enact, repeal or revise? If so, what is it? What would you propose?
4. In addition to Monday evening meetings, City Council has committees that meet between 8 am. and 5 pm. on Wednesdays. There are also many other additional opportunities and requests for meetings. The overall commitment for City Council members is estimated to be 15 to 20 hours per week. Please explain how you will best use this time in service to the community, and how you will balance this work with your other commitments.
