FILING A CLAIM

Please read these important reminders for quick and efficient reimbursement:

- Please make sure to fill out your form completely (employer, ID#, your name). Documentation must include service dates, service description and charges for services received.
- Combine all like reim bursement requests. For example, If you are submitting several prescription receipts for reimbursement, enter the range of dates over which the purchases were made and the total of all the receipts on the prescription line:

Prescription Reimbursement Request From: 7/1/11 To: 7/31/11 \$145.78

- Service dates must be within the plan year to be eligible expenses. If your employment terminates during the plan year, service dates must be within the plan year **and** while you were an active participant in the plan (ie: eligible and making contributions).
- If the service is eligible for insurance, an explanation of benefits must accompany the claim form, unless the bill from the provider shows the amount that insurance has paid, or the receipt is clearly a co-pay amount. **Bills from providers that estimate insurance payment will not be reimbursed.**
- If the reimbursement requested is not e ligible for submission to insurance for reimbursement consideration, a bill or receipt showing date, service and charges is adequate docum entation of the expense, as long as there is no reference to insurance coverage on the bill or receipt.

Eligible claims received must total at least \$1.00 before a check will be mailed or an electronic deposit initiated by Allegiance.
