MISSION STATEMENT

We are a community oriented agency committed to delivering professional police service to Missoula. We strive to improve the quality of life of our citizens and the livability of our community.

OUR VALUES

- Our customers are the community, department personnel, other City agencies and other Criminal Justice Agencies.
- We are accountable for our individual and organizational performance.
- The organization is quality driven.
- We depend on the community's confidence and trust and every contact should endeavor to enhance that relationship.
- We embrace diversity and the dignity of each person.
- We respect and protect human rights.
- We have a positive attitude and will look to accomplishments rather than obstacles.

ORGANIZATION VISION

“Members of the Missoula Police Department are committed in preserving a high quality of life and feeling of safety for the City’s diverse population. The Department balances quick responses to all crimes with community problem solving and crime prevention approaches. We will interact with the public as our partners and as customers worthy of our best service. We will constantly evaluate and improve our efforts to enhance public safety with the goal of improving the quality of life while at the same time maintaining respect for individual rights and human dignity.”
